Thursday 31ST BARBARELLA: QUEEN OF THE DISCOTHEQUE NYE AT THE PONY 9pm-6am
For one night the pony will be transformed into 'Planet Disco' and the Space Vixen Barbarella will be paying us a visit! Décor wise we'll be bringing you the jaw dropping awe of a science fiction adventure, coupled with the glamour of everything disco!

Musically we are joined by Ivor Novello nominees Bodyrox. Consisting of two of the most talented and in-demand producers in the UK. Having produced one of the 'biggest hits in electronic dance music' (Pete Tong) in 2006 in the form of 'Yeah Yeah'. Joining them we have a live PA by Bryan Chambers. He's been storming the pop and club charts for the best part of a decade, but best known for his Defected Records track with Cleptomaniacs.

Fancy dress is optional but this is a chance to go all out for 60's sex kitten glamour, glamorous and shiny disco villains or Sci-Fi legends! Either way — make the effort! Its NYE! This time round — those of you booking tables will receive your shared punch again — this time you'll be presented your punch in half a disco ball!
